

WOMEN'S ENGINEERING COLLEGE

(A GOVT OF PUDUCHERRY INSTITUTION)

Airport Road, Lawspet,

Puducherry - 605 008.

Website: <http://wec.edu.in>

DEPARTMENT OF COMMERCE

Course - B.Com (General)

(AFFILIATED TO PONDICHERRY UNIVERSITY)

Presented by

DR. T. RAJALAKSHMI

About Our College

History and Evolution of Women's Engineering College

- Established in 1988 with one course in Computer Engineering.
- Later added four more courses in Electronics and Communication Engineering, Architectural Assistantship, Modern Office Practice and Electrical and Electronics Engineering.

Assistance from Government of India

- Ministry of Human Resource Development provided assistance through "World Bank under Technical Education-II Project" and "Sub-Mission on Polytechnics under Coordinated Action for Skill Development".

Upgrades and Affiliations

- Upgraded to Women's Engineering College.
- Administered by Directorate of Higher and Technical Education through Pondicherry Institute of Post Matric Technical Education (PIPMATE) Society
- Affiliated to Puducherry Technological University.
- B.Tech degree courses introduced from academic year 2022-23 with approval from AICTE, New Delhi.
- Diploma in Modern Office Practice upgraded to Bachelor of Commerce in affiliation with Pondicherry University from academic year 2022-23.

IIT Bombay Research Center

- Our Institution has been functioning as IIT Bombay Remote Centre (RC-ID 1400) since February 2018, in the existing e-Classroom established under the Centrally Sponsored Scheme "Up-gradation of existing Polytechnic Colleges", MHRD, Govt.
- The e-classroom is air-conditioned and has modern equipment, including 33 computer systems, a laptop, LCD projector, television, video camera, and more. The center is registered with Amrita Virtual Interactive e-Learning World for online courses for students and faculty.

Facilities

- E-classroom
- Seminar hall with audio-visual facilities.
- Green campus
- No smoking zone
- Plastic-free campus
- Library
- Ramps
- Disabled-friendly washrooms
- Water management
- Rainwater harvesting/percolation pond
- Canteen
- Playground

About Commerce Department

Department History and Progress:

- Started in 1995 with a three-year Diploma course in Commercial Practice
- Upgraded to a Degree Level Programme and now offers B.Com (General) Degree with an intake of 60 students in the Academic Year 2022-23.

Faculty:

- Department has adequate highly qualified & competent faculty.
- Faculty is dedicated to the academic and overall development of the Women's student community.
- Teaching highlights include being learner-centric, ICT-enabled, project-based, continuous assessment and comprehensive & realistic evaluation.

Student Development:

- Aim is to form young Women of Competence, Commitment, Conscience and Compassion.
- Cultivate in students an uncompromising commitment towards enhancing the quality of life both at the organizational and societal level.
- Fostering the passionate pursuit of academic and intellectual excellence.

Career Opportunities:

- Today, education is not just the dissemination of knowledge but equipping students with appropriate skills and ability to take up new challenges for contributing to society as well as fulfilling their career dreams.
- Women's Engineering College's commerce students hold good positions in every office or firm which is a matter of great pride.

Training and Placement Cell:

- To maintain close contact with potential employers and organize campus placements for the students.
- To invite numerous leading companies from various premier industries to participate in the placement process every year.
- To provide internship opportunities and on-site industrial training opportunities for the students.
- To conduct training sessions to enhance the skill-sets and performance of the students.
- The institute's recruiters include leading companies from various premier industries such as HCL, Aravind Eye Hospital, Whirlpool, Apollo Tyres, SPI Global, Integra, Siechem, SBI Life, Eaton, and East Coast Hospitals, etc.
- These recruiters have consistently provided positive feedback on the institute's students, reflecting their ability to successfully meet the expectations of the professional roles assigned to them.

*Compound Interest is the Eighth Wonder of the World.
He who understands it, Earns it. He who doesn't pays it.*

-Albert Einstein

Vision

The Commerce Department is committed to integrate all facets of commerce and management, to educate and train competent human resources suitable for industry and to equip and encourage them to start their own ventures.

Mission

01

To accentuate quality education with a strong foundation of business and commerce concepts for students to excel and enhance analytical skills essential in the field of commerce.

02

To establish an industry-academia interface for generating futuristic opportunities for students in diverse areas of finance, commerce and banking.

03

To create academic excellence to nurture accounting skills, team spirit, and leadership qualities, in ace professionals to meet the challenges of the business world.

04

To accelerate the advanced learning process using state-of-the-art facilities.

Infrastructure

01 Smart Classroom

The college provides lecture halls with Lecture installations which enhance the learning experience by providing access to advanced audio-visual equipment. This creates an immersive learning environment and promotes interactive learning among students.

02 Computer Lab Facilities

The college has modern computer lab facilities that provide students with access to the latest technology and software. These facilities enable students to develop technical skills and improve their overall academic performance.

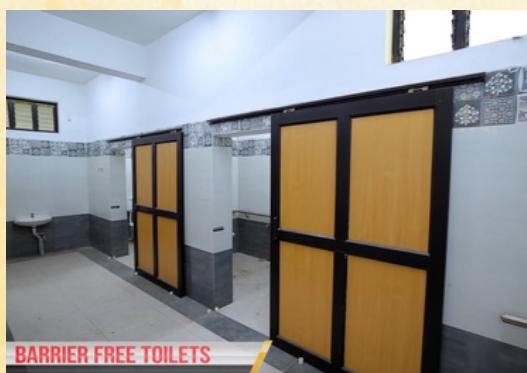

03 Green Campus

The college promotes a green campus by encouraging students to participate in tree planting and other environmental initiatives. The campus is adorned with greenery, making it a pleasant and peaceful place to learn. This promotes a healthy and sustainable learning environment and instils a sense of environmental responsibility among students.

04 Clean Sanitation

The college ensures that sanitation facilities are well-maintained and cleaned regularly to provide a hygienic environment for students. This helps to prevent the spread of diseases and provides a comfortable and healthy environment for students.

Infrastructure

05 Barrier-Free Environment

The college provides a barrier-free environment, which includes ramps and designated parking spaces for students with physical disabilities. This enables all students to access the whole campus.

06 R.O. Water Provision

The college has installed R.O. water facilities to provide clean drinking water to students. This ensures that students have access to safe and hygienic drinking water at all time.

07 Tobacco-Free Environment

The college promotes a tobacco-free environment, prohibiting smoking on campus. This measure promotes a healthy and safe learning environment and protects students from the harmful effects of tobacco.

08 Plastic-Free Environment

The college promotes a plastic-free environment by prohibiting the use of single-use plastics on campus. This measure helps to reduce plastic waste and promote environmental sustainability.

*One Best Book is Equal To Hundred Good Friends But
One Good Friend is Equal To A Library..*

-Dr APJ Abdul Kalam.

Library

About Library

Our college library was established in the year 1989 and is well equipped with 15208 volumes of books. The library possesses wide range of collection in engineering field, commerce, science and humanities, reference books, competitive exam books and general studies, etc

Journals

Subscribing to journals like Vikalpa & Reputed Commerce Journals in a library provides students, researchers, and faculty members with developments, expand their knowledge base and conduct high-quality research. It also contributes to the overall academic excellence of the institution.

Commerce Dailies

Our Library subscribes to important dailies like Business Line and Economic Times, providing Commerce students with access to the latest news and insights in the world of commerce.

Text Books & Reference

Our library offers a comprehensive collection of textbooks and reference books for the commerce department, covering a range of topics such as finance, accounting, marketing, management, international trade, laws and taxation. The collection is tailored to meet the needs of our students and offer a diverse and engaging learning experience.

Activities

01 Motivational Talk

Thiru K.V.Muruga Bharathi & Thiru.G.Briel delivered a motivational talk on 'Ani Serpom' at the inaugural event of Tamil Mandram to our B.Com students.

02 Commerce Club

A significant club named Royal Commerce Club has been established with a motto to Induce-Innovate-Inculcate students' academic and technical excellence. Thiru Dr. P.Natarajan, Prof. & Head, Dept of Commerce/School of Management, Pondicherry University was the Chief Guest for the Inaugural function. He unveiled the Club logo and dept brochure.

03 Seminar

A technical session on 'Women & Commerce' by Dr. K.Karpagam, Associate Prof., Kanchi Mamunivar Govt. Institute for Post Graduate Studies and Research, Puducherry.

04 Sports

The college lays considerable emphasis on students participation in various games, sports and track and field activities. The spacious ground of the college is laid out into playfields for Football, Hockey, Kho-Kho, Athletics, Volleyball and Badminton etc. Facilities have also been provided for Table Tennis, Chess, Carrom & Yoga.
